

The Rearview Mirror Tag is an optimal choice for access control in parking lots, gated communities and anywhere vehicles come and go. The logo and barcode are subsurface printed on thick polyester for durability and rigidity. Like the Windshield Tag, the Rearview Mirror Tag provides excellent read range; however, unlike the Windshield Tag, the Rearview Mirror Tag is completely removable and reusable.

Features

Unlimited color options with choice of up to four standard or custom colors
Digital printing process provides for greater print capability with detailed logos or special designs
Double-sided registered option available

Product Print Options

Barcode . Data Matrix . QR Code . Serial Number . Text

Product Functionality

Abrasion Resistance . Chemical Resistance . Heat Resistance . UV/Outdoor Durability

Popular Applications

Theme parks . Hospitals . Schools

Category

Access Control . Plastic Labels . Plastic Hanging Tags
